

# BaseURLs

Please see the following sections for various baseURLs used in this release of the OpenID Connect Provider from BankID

- [OpenID Connect \(oidc-baseurl\)](#)
- [TINFO Userinfo \(tinfo-userinfo-baseurl\)](#)
- [Fraud Data \(fraud-data-baseurl\)](#)
- [AML \(aml-baseurl\)](#)
- [Sign Document \(signdoc-baseurl\)](#)
- [JS Connector \(connector-baseurl\)](#)

To ensure backwards compatibility with future releases, please use the output from [Openid-configuration](#) rather than using hardcoded values for the different endpoints
