What	Description
Ceremony	The physical meeting with all necessary participants. This is when the new RA certificate is created in red zone.
Activation	When the new certificate is activated on BankID side. This is usually done at another time than the ceremony.

Before the ceremony:

Step	Description	Responsible	Task	Deadline	Status	Documents and notes
1) Send order forms to BankID	The respective TSP or Bank have to fill out required order forms and send it to BankID signed before or during the RA ceremony. A copy must be sent before the RA ceremony.	TSP or Bank	<ul style="list-style-type: none"> TSP/Bank fills out the required order form. Send a copy before the RA ceremony by creating a ticket here. 		PLANNING	Order form templates can be found here: Misc forms for BankID Support
2) Make sure that the prerequisites are in order	Primary CAO token "Dongle" is normally stored in a safe at the respective TSP (CA responsible). The respective Key Custodian for the TSP is responsible to carry and bring the RA XML request and the Primary CAO token "dongle" to the RA ceremony.	Key custodian for TSP	<ul style="list-style-type: none"> Create an RA XML request on the TSP system, for example through HAT tool. Make sure that the USB stick is new and unused Make sure that the Key Custodian have approved identification such as a passport or driver license (if the Key Custodian is a non-Norwegian citizen, they must bring their passport) 		PLANNING	

3) RA ceremony coordination	BankID will ensure that everything is in place and coordinate the ceremony and switchover with all stakeholders.	BankID	<p>Check that the following is in place:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Formal order received <input type="checkbox"/> Signed order forms <ul style="list-style-type: none"> <input type="checkbox"/> Signed - Naming of RA (Required) <input type="checkbox"/> Signed - Revoke RA XML Request (Optional) <input type="checkbox"/> TSPs Primary CAO token <input type="checkbox"/> TSPs/Bank RA XML Request <p>If all is in place, all stakeholders align and agree on date and time for the following:</p> <ul style="list-style-type: none"> <input type="checkbox"/> 1. RA ceremony <input type="checkbox"/> 2. Activation of New RA XML Sign Certificate <input type="checkbox"/> 3. Revoke RA XML (Optional) <p>Normally step 2 and 3 happens within the same 24h.</p>		PLANNING	
4) Invitations	BankID will send out a meeting invite for the ceremony	BankID	<p>Create and send out the invitation to all stakeholders.</p> <p>The invitation should contain, but not limited to:</p> <ul style="list-style-type: none"> • Purpose and description • Date • Time • Duration • Address • Attendees and contact points • Information on what to bring 		PLANNING	

Ceremony:

The Key Custodian for the respective TSPs is on-site with their Primary CAO token and the RA XML sign request.

Step	Description	Responsible	Task	Deadline	Status	Documents and notes
5) Pre RA ceremony check	BankID will greet the participants and check that all is OK for moving on with the ceremony.	BankID	<ul style="list-style-type: none"> • Participants need to sign in and out • All necessary resources are in place <ul style="list-style-type: none"> ◦ Key Custodian ◦ PKI • Key Custodian ID check is done by the SO • USB virus scan is done manually before High secure room (USB stick that contains the RA XML Sign request) • All required documentation is in place <ul style="list-style-type: none"> ◦ Note that RA order forms are to be stored in the BankID High secure room. When the documentation is signed electronically, a copy of the document is to be stored 		PLANNING	
6) Perform RA ceremony	BankID is to perform the RA ceremony	BankID	<p>BankID will guide the key custodian through issuing of the new RA XML/SSL certificate(s).</p> <p>Key custodian will need to oversee that everything is according to the documentation.</p>		PLANNING	

After the ceremony:

Step	Description	Responsible	Task	Deadline	Status	Documents and notes
------	-------------	-------------	------	----------	--------	---------------------

7) Activation/ Revocation (optional)	BankID is to activate the new certificates.	BankID	Activate the new RA XML Sign certificate(s) in BankID. Optional: Revoke the old certificate. Normally done within 24 hours after the ceremony. Performed by AO with PKI involved. BankID will inform the TSP/Bank when this has been done.		PLANNING	
8) Certificate check	Check that the certificate is working	TSP and Bank	TSP/Bank needs to check that the new activated certificate is working towards ODS. Optional: Check that the revoked certificate is no longer working towards ODS.		PLANNING
